Statement of Service

&

Training Services Customer Charter

## 1 Customer Statement of Service

### 1.1 What your employees on training courses can expect from us

#### Your employees can expect:

- a safe and healthy learning environment
- good quality teaching and learning
- regular reviews of progress and feedback
- prompt and efficient receipt of examination and assessment results.

### 1.2 What we ask from you

#### We ask:

- that you support your employees throughout the duration of their training, including any examination periods.
- that you take advantage of the opportunities we provide to give us feedback on your experience of our service. The feedback will be published, as will the actions to address.
- that, where applicable, you ensure invoices are paid in accordance with our published terms and conditions.

### 1.3 If things go wrong...

We always aim to deliver our training programmes to the highest possible standards of service however, we realise that in any organisation things can occasionally go wrong. If you have a problem or are unhappy with the service provided, please tell us by contacting:

Frederick Road | Hoo Farm Industrial Estate | Kidderminster | Worcestershire | DY11 7RA

Tel: **01562 745858**

Email: **training@avensysmedical.co.uk**

We aim to acknowledge receipt of any query regarding problems or complaints within 5 days. Your complaint will normally be investigated within 15 working days. If your complaint is more complex or involves people who are not available at the time, this may be extended to 20 working days.

### 1.4 Confidentiality

We will observe strict duties regarding confidentiality, not only when you are an active customer, but consistently for the future.

### 1.5 Our service standards

- All incoming enquiries will be dealt with efficiently and effectively to the customer's satisfaction.
- **We are open Monday to Friday 08:30am to 4.30pm**
- You will be given a contact name so that you know who to talk to within Avensys UK Training Ltd.

- Where we are unable to provide training, where possible, you will be signposted or referred to an alternative provider.
- On receipt of our short course booking form, we will acknowledge receipt by email within two working days and joining instructions will be sent to learners within seven working days of the start of the course.
- For training delivered in the workplace, you will receive a detailed proposal, and we will keep you informed of progress and continually review your requirements throughout the delivery of the training.
- Should you have a complaint, we will investigate and respond to this within 20 working days as detailed in our complaints policy.

## 2 Training Services Customer Charter

**At Avensys UK Training Ltd, our global objective is to enable Medical Engineers and Medical Engineering departments to realise their full individual and operational potential. Our dedicated team are passionate in ensuring that medical engineers and clinical staff have access to the highest standard of accredited training.**

**Avensys UK Training Ltd are committed in assisting our clients to have a positive impact on healthcare costs, staff retention, patient wait times and ultimately, patient safety. We will achieve this by:**

- working with employers to identify the training issues they want to address.
- designing and delivering practical relevant training programmes to meet these identified needs.
- building mutually beneficial relationships with employers across relevant industry sectors
- referring employers to other training providers where we are unable to meet these needs.

### 2.1 What you can expect from us

**We aim to provide a high quality, responsive service to all our customers. The Academy has a team who are responsible for liaising with employers, and to give you easy access to them we have a dedicated customer enquiry email address – [training@avensysmedical.co.uk](mailto:training@avensysmedical.co.uk).**

#### **Information, Advice and Guidance**

Information, Advice and Guidance is offered to help you find the right course. We will talk to you about previous experience, qualifications and what the training objectives are, to help suggest the best options for training and career pathways. From this we would recommend the right options to suit the individual learner. All Information, Advice and Guidance is accredited to the Matrix Standard Accreditation, an industry standard required to be demonstrated through knowledge and experience.

**On receipt of your enquiry, we will:**

- respond quickly and efficiently.
- provide you with a named contact so that you know who to talk to within the Academy.
- if applicable, arrange a consultation with the Training Academy Manager to discuss and identify your training needs and, if requested, undertake a training needs analysis to assist in this process
- provide you with clear, concise information on the training solutions available to meet your needs so that.
- you can make an informed choice.
- provide you with a written proposal detailing the training solution package, including a full cost breakdown and available access to funding.
- provide you with an opportunity to view the facilities and resources at the Academy, if applicable.
- If we are unable to meet your needs, where possible, we will signpost or refer you to an alternative provider.

**Once you have confirmed the training package you would like undertaken, we will:**

- ensure that our trainers/assessors are fully briefed on your training needs and objectives before they start working with you.
- send you joining instructions for your course if delivered at our training centre in Kidderminster.
- arrange for a trainer/assessor, if applicable, to meet your employees to discuss and explain their training programme journey, and deliver inductions
- Apprentices will be visited every 6 - 8 weeks by an assessor from either Avensys or our apprenticeship partner Dudley College of Technology.
- regularly review Apprenticeship learners progress, providing information, advice and guidance at the start, mid-way through and at the end of their programme
- continually review your requirements and maintain open communication to ensure that you are kept informed of progress, developments or changes relating to the training programme.

**On completion of the training, we will:**

- review the training with you to ensure that it has met the agreed objectives and incorporating where possible, any suggestions for improvements.
- discuss any further training needs you may have.
